## MUSEUM LECTURE May 1 8:30 p.m.

Johan Q. van Regteren Altena, Professor of art history at the University of Amsterdam, will discuss the origins of still life painting, and its development into a significant expression of human contemplation, at The Cleveland Museum of Art Wednesday, May 1 at 8:30 p.m. Dr. Altena is just completing his stay in the United States as Erasmus lecturer in Dutch civilization at Harvard University.

The professor earned his Ph.D. at the University of Utrecht and has taught at the University of Amsterdam for 31 years. Until 1962 he was also Director of the Print Room at the Ryksmuseum in Amsterdam. He is author of many publications on Dutch art history and on Italian and Dutch drawings.
